

THE CITY OF SAN DIEGO

Publication Date: August 1, 2003
Requesting Department: Water
CIP Program Management Division
600 B Street, 7th Floor
San Diego, CA 92101

Title:	Design/Build Services for City of San Diego Rancho Bernardo Reservoir Replacement
Submittal Due Date:	Thursday, September 18, 2003
Estimated Project Cost:	Approximately 6 million dollars
Project Manager:	George Freiha, (619) 533-7449

The City of San Diego may require services for the project described below. Design/Build teams wishing consideration should submit the following for Screening Committee review: One (1) original and fifteen (15) color copies of the response to the Request for Qualifications. Your Statement of Qualification must include all Professional Registration numbers and contractors licensing as specified.

COMMITMENT TO EQUAL OPPORTUNITY:

It is the policy of the City of San Diego to encourage equal opportunity in its professional services contracts. Toward this end, proposals from small businesses, disabled owned businesses, women owned businesses, and firms owned by African-Americans, Native Americans, Asian-Americans, Filipinos and Latinos, and local firms are strongly encouraged. Prime Consultants are encouraged to sub-consult or joint venture with these firms. The City endeavors to do business with firms sharing the City's commitment to equal opportunity and will not do business with any firm that discriminates on the basis of race, religion, color, ancestry, age, gender, sexual orientation, disability, medical condition, or place of birth.

Firms which may be eligible to be certified as DBE, DVBE, MBE, and/or WBE, and wish to claim that status on City-issued contracts, should contact the City's Equal Opportunity Contracting at (619) 533-4464.

REQUEST FOR QUALIFICATIONS PACKAGES:

The information contained in this advertisement may be provided in alternative format, if requested. Request for Qualification (RFQ) packages may be received by e-mail (PDF) from the Contract Specialist, Jorge Larriva, at jlarriva@sanidiego.gov or picked up at the public counter of the Water Department at the address below.

PREQUALIFICATION PROGRAM REQUIREMENTS:

All Design/Build teams must receive Phase 1 Prequalification approval from the Engineering and Capital Projects Department prior to the SOQ submittal date. Contact Ray Roberson at 619-533-3474 or rroberson@sandiego.gov for more information. An application can be downloaded from the City's website <http://www.sandiego.gov/engineering-cip>.

SUBMIT STATEMENTS OF QUALIFICATIONS TO:

Richard Calvi, Principal Contract Specialist
Water Department
600 B Street, Suite 700
San Diego, CA 92101

SOQ submittals must be received by **4:30 p.m., Thursday, September 18, 2003.**

MANDATORY PRESUBMITTAL MEETING:

A **mandatory** pre-submittal conference will be held on:

Monday, August 18, 2003,
at 10:00 a.m.
at 600 B Street,
8th Floor Conference Room,
San Diego, California.

**DESIGN-BUILD SERVICES FOR RANCHO BERNARDO RESERVOIR
REPLACEMENT:**

The project consists of demolition of an existing, buried, concrete, 10-million gallon potable water reservoir and the planning, design and construction of a new potable water reservoir(s) having a total capacity of 10-million gallons. The project site is located off Bernardo Center Drive in the Rancho Bernardo area of northern San Diego.

The project includes but is not limited to the following elements of work: demolition of existing structure, provision of large and small diameter water pipes, pump station reconfiguration, water tanks, concrete, access roads, parking, fencing, security, instrumentation and control systems, corrosion prevention systems, site landscaping, environmental monitoring and a community outreach program.
